supply of D.P.S.T. 60 amps. Iron-clad switches, 250 volts, as published on Page 1156 of Part VI of the *Mysore Gazette*, dated 3rd September 1953.

Intending tenderers are requested to apply to the undersigned for copies of detailed notification.

It may be noted that the last date for submission of tender is 23rd September 1953 (up to 3 P.M.) and quotations will be opened on 24th September 1953.

920a

Notification dated 2nd September 1953.

No. G. N. 52. Sealed tenders will be received in the Office of the Chief Electrical Engineer to the Government of Mysore, Bangalore, up to 3 P.M. on 30th September 1953, for the supply of the following, the terms of delivery being F.O.R., Maddur (Mysore State).

The tenderers should quote their best billing prices which should be firm for a period of one month from the due date of the tender. The rates should be quoted in figures and words. The earliest period within which delivery would be effected may be specified in the tender. Full specifications regarding make, etc., should be specified in the tender along with manufacturer's name, etc., complete. Samples wherever possible should be sent for inspection. The quantities in each item to be purchased may be varied according to actual requirements at the time of placing orders.

No enhancement of rates for whatever causes will be allowed when once the quotation is accepted and order is placed. Withdrawal from the quotation after it is accepted or failure to make the supply within the scheduled period will entail cancellation of the order and forfeiture of the earnest money, if any. The successful tenderer, if so required by us, should deposit a sum equal to five per cent of the value of the order as earnest money for the satisfactory execution of the order in accordance with the terms and period of delivery specified in the order.

The Chief Electrical Engineer does not bind himself to accept the lowest or any tender, but reserves to himself the right to accept or reject any tender at his discretion.

Supply on our order will be subject to the general conditions of contract prevailing in this department for local purchases.

The tenders should be superscribed as "Tender for the supply of 'Expanded Metal Sheets' to be opened on 1st October 1953."

1	Expanded Metal Sheets 12'×8'×1½"×1/8"×1/8" (Superior quality).	15 rolls or	1,440 S.ft.
2	Wire gauze 400 mesh in rolls of 50' and 3' wide (Superior quality).	20 rolls or	3,000 S.ft.

(Manufacturer's name and the country in which they are being manufactured should be mentioned in the quotations).

918

Tender Notification dated 24th August 1953.

1. Sealed tenders in duplicate will be received by the Superintendent, Power and Light, Bhadravathi, up to 4 P.M. on 18th September 1953, for the supply of building materials at J.P.S. Colony, Bhadravathi.

2. Tenders in duplicate should be entered in prescribed forms obtainable in the office of the Superintendent, Power and Light, Bhadravathi, on payment of annas four (as. 4) only per form. Tenders should be addressed to the Superintendent, Power and Light, Bhadravathi, in sealed cover.

3. Earnest money should be deposited in cash at the office of the Superintendent, Power and Light, Bhadravathi, or nearest Power and Light office of Electrical Department and receipt for the amount remitted should be attached to the tender forms. Tenders without earnest money will not be accepted. No cheques will be accepted.

4. The final acceptance of the tender will rest with the Chief Electrical Engineer to the Government of Mysore. The successful contractor should bind himself to abide by the departmental rules in force and execute necessary agreement within a week on receipt of intimation of acceptance of tender, after which materials should be supplied as per requirements of department which will be duly intimated.

5. The materials to be supplied should be strictly in accordance with departmental specifications and should satisfy the Assistant Engineer in charge of the works at Bhadravathi.

6. Failure to comply with condition or to agree to carry out the order in accordance with specifications and agreement in force, will entail forfeiture of the earnest money and cancellation of contract. Besides, any loss incurred by the department on account of the contractor failing to abide by his agreement will have to be borne by the contractor.

7. When once the rates tendered have been accepted, they will not be revised under any circumstances.

8. The quantities shown in the schedule are only approximate and may vary according to exigencies of work for which department will not hold itself responsible under any circumstance. The department has the authority to accept any tender other than the lowest at its own discretion.

9. Sales-tax, Royalty, etc., will have to be paid by the contractor.

10. The contractor should make his own arrangements for transport of materials to the workspot shown by the department. If the departmental lorries are hired the usual hire charges, etc., will be recovered as per departmental rules.

11. The department is not bound to, allot the whole work only to the accepted tenderer and will have the right to distribute the work among several other contractors at the accepted tender rates.

12. The earnest money of the unaccepted tenders will be rturned on submission of the original receipt granted along with the application.

13. Arrangements will be made to make payments to the contractor as early as possible and may not exceed a month from the date of receipt of the bill.

14. In case the material is to be supplied at the quarry as per terms in the tender accepted, the material will be conveyed by the departmental lorries at the cost of the department. But the materials will have to be stacked by the contractor, for measurements at the work spot shown by the departmental authorities.

15. The depaftment can reject taking the measurements of material supplied in case it does not satisfy the terms of contract and specifications.

16. In cases of controversies the dicision of the Chief Electrical Engineer will be final.

17. Ten per cent of the quantity stacked for measurement will be deducted for voids in case of jelly and should be free from dust and soft jelly.

18. Five per cent of the quantity stacked for measurements will be deducted for settlement in case of sand and it should be free from silt shingle, etc.

19. Four per cent the quantity stacked for measurements will be deducted for voids in case of size stones. In case the heap contains soft stones or any stones other than good granite stones, the heap will be totally rejected or additional deductions will be made at the discretion of departmental authority.

20. Specific rates and units should be quoted as per abstract of quantities for each item of supply of materials (a) at the quarry (b) at the workspot site Location of quarry in the case (a) and actual lead from quarry to workspot, should be furnished in the former case, *viz.*, supply at quarry.

21. The lowest rate for each of the items only will be considered.

OFFICE OF THE DIRECTOR OF PUBLIC INSTRUCTION IN MYSORE, BANGALORE.

Notification dated 29th August 1953.

No. D. 31. TI. Stdm. 1063-6—52-53. It is hereby notified for the information of the public that sealed tenders for purchasing grazing rights in the Sampangi Tank Bed excluding the Stadium from 1st September 1953 to 1st March 1954 will be received in the Office of the undersigned up to 4-30 P.M. on 14th September 1953.

The area in the tank bed is bounded as follows :—

North	...	... Sydney Road
East	...	... Sampige Road
South	...	... Tank Bund Road
West	...	... Sampangi Tank

The terms of sale are :—

1. No tender will be received or considered unless accompanied by an earnest money of Rs. 100 (Rupees one hundred) either in cash or Treasury duplicate chellan. The tender accepted in previous years was Rs. 2,000.

2. The earnest money of the unsuccessful tenderers will be arranged to be refunded in due course and the earnest money of the successful tenderers will be treated as the security deposit for proper fulfilment of the conditions of the contract and will be refunded at the end of the contract period.

3. The successful tenderer will be required to execute the contract bond on the usual Government stamp paper within a week from the date of acceptance of his tender, binding himself for due fulfilment of the conditions of contract, failing which, his earnest money will be forfeited to Government and his tender rejected.

4. The successful tenderer is to remit in full the amount tendered immediately before allowing his cattle to graze; in default thereof, the right of grazing will be resold at his risk without his participating in any profit that may accrue. He will be liable to any loss that may be incurred. Grazing will not be permitted before full payment is made.

5. The number of cattle permitted to graze is only 50.

6. Grazing would be allowed only between 10 A.M. and 4 P.M. each day without interference with games that may be conducted there.

7. Grass should not be allowed to grow to make the grounds untidy. If this condition is not fulfilled, the Department reserves the right to dispose of the grass in any manner deemed necessary debiting the cost thereof to the successful tenderer.

8. The contract should not be sublet.

9. No application for concession or compensation due to failure of rain or any other cause will be entertained.

10. The purchaser of the right of grazing will be personally responsible for the damage, if any, done to plants, buildings and all other Government properties in the Park, either by the cattle he allows to graze, or the men who graze the cattle or anyone else who belongs to his party during that period and the loss should be made good immediately, failing which the contract will cease, and the cost of damages will be recovered from the party either by adjusting it from the amount deposited as security or by instituting legal proceedings, if necessary.

11. The area inside the Stadium and the area around the Stadium with the existing all round road and the areas earmarked for the existing Cricket Field are not included for purpose of grazing rights. No compensation will be given for playgrounds which may be laid out around the Stadium for its improvement.

The intending tenderers may attend office during office hours between 11 A.M. and 5 P.M. and inspect the plan of the Sampangi Tank.

12. In all cases of disputes and complaints in respect of the lease, the decision of the Director of Public Instruction in Mysore, Bangalore, shall be final.

J. B. MALLARADHYA,
Director.
